Dear parents and carers,

Like many of you, I watched the Prime Minister's statement last night on television. I will be meeting with my senior leadership team as soon as we have Government and Local Authority guidance on how a potential return to school could be implemented safely.

We will need clear guidance to plan how it is possible to maintain social distancing in school and keep our children, teachers and families safe; how we might start to phase some groups of children returning and what this looks like. **Please be assured that we will not reopen until we are 100% prepared.**

Until this point, I must make it clear that current arrangements are still in place:

You should only bring your child to school if we already have agreed that your child may attend, under the existing categories from the government.

As always, we will keep you informed but for now, please try not to worry. Our plan for now is to continue to provide activities for learning at home through delivering hard copies or via Seesaw, keep in contact with our whole school community and continue to support each other in these very difficult and uncertain times.

Regards,

Niki Wilson
