Dear Parents and carers

We are delighted to inform you that we have recently signed up to the online payment system **SchoolMoney**. This means that from September you will have the facility to make payments for school expenses, such as school meals and trips, online with your debit or credit card.

This new payment system will benefit both us as a school and you as a parent. Not only will you be able to pay for items from the comfort of your own home but you will also be able to access your account at any time to see if there is anything you need to pay for. **SchoolMoney** will enable us to experience a more streamlined, cost-effective and efficient payment system in a secure and safe environment. Please be assured that this is a GDPR compliant system that is used by many schools. Further GDPR compliance information can be found on the School Money website.

You will not need to sign up to this system as this is done automatically through the school. As long as you have provided us with up to date contact details we will send you a password before the end of term. This password will give you access to your **SchoolMoney** account where you can pay for any items we have requested from you.

To log into **SchoolMoney**, visit the website www.eduspot.co.uk and click on the sign in button in the top right hand corner. In the drop down, select the **SchoolMoney Parent Login** option and this will send you through to a page where you need to enter your mobile number, email address, the password we will send to you, and your child's first name.

If for any reason you are struggling to log in, it may be because you have not provided us with the correct contact details. Please let us know immediately via email to admin@rachelmadocks.hants.sch.uk, if either your mobile number or email address changes.

We appreciate your cooperation in the early stages of rolling this system out to you.

Should you have any questions please do not hesitate to contact us.

Yours Sincerely,

Niki Wilson
Headteacher
