Dear Parents & Carers

You will be aware of the announcement by the Prime Minister this week regarding the lifting of covid restrictions.

You will also be aware that we have experienced high numbers of covid cases amongst pupils and staff since Christmas. For this reason, our current procedures and risk assessments will not change this term. In other words, we will continue to wear masks in communal areas, all visitors, contractors and hirers will still be required to wear masks on our site and meetings will continue to be held virtually where possible.

You are asked to continue daily lateral flow tests on your child so that we can minimise further outbreaks. We are awaiting further deliveries of lateral flow tests so test kits should be collected from a pharmacy or ordered online. Details of pharmacy collection codes and order forms are available via <https://www.gov.uk/order-coronavirus-rapid-lateral-flow-tests>.

In addition, twice weekly saliva testing continues for pupils and staff. If you need further testing pots or would like your child to be included in this programme, please contact Louise Wright on Reception.

Once again, thank you all for your continued support.

Regards,

Niki Wilson  
Headteacher
