16th September 2021

Dear Parents/Carers

FOOD TECHNOLOGY CONTRIBUTION

You may be aware that the school currently provides all children with the opportunity to taste and/or explore foods during food technology lessons and a snack if required.

We would like to ask for a voluntary contribution of **£3.00 for each half term** to help the school fund this.

Payment of £3.00 should be made through our online School Money system. You will receive an email to enable you to log on if you do not already have access. Should you have any query regarding this please email admin@rachelmadocks.hants.sch.uk.

Yours sincerely,

Niki Wilson

Headteacher
