

10th Novemeber 2021

Dear Parents/Carers,

Modern Foreign Languages Day - Thursday 18th November

We are having a Modern Foreign Languages Day on Thursday 18th November when the whole school will be exploring and learning all about the country of Switzerland.

To help us get into the 'Swiss' spirit, please could all pupils please make and decorate a Swiss accordion, one of the traditional instruments in Switzerland. I have attached some examples to give you some ideas. Please feel free to be as creative and imaginative as you want.

Please could we also ask you to send your son/daughter in dressed for the day in either the colours of the Swiss flag or in some Swiss themed clothing. Again, please be as creative as you want!

We look forward to a fun day seeing the pupils wooden spoons, outfits and exploring Switzerland together.

Many thanks,

Rachel Grimshaw
Upper School Leader

Step One: Separate a shoebox or find two small boxes.

Step Two: Make a paper fan by folding it one way and then the other

Step Three: Attach one end of the folded paper to one side of the box and the other end to the other side.

Step Four: Decorate
