

# Think Pink Week

Thank you so much for participating in the Borough's inaugural Think Pink Week. We have had an incredible response from schools across the Borough and are so excited for our first ever Think Pink Week from the 21<sup>st</sup> - 25<sup>th</sup> September 2020, where each school has chosen one day to wear the colour pink.

By wearing an item of something coloured pink however big or small, you will be helping to raise awareness for the fabulous work that Hannah's Holiday Homes do. As Mayor, this is my chosen charity for the year and all proceeds raised will go solely towards Hannah's Holiday Homes. The lockdown has severely affected the charity's work, yet throughout the charity supported children with cancer and their families with calls, emails and deliveries. Thankfully, Hannah's Holiday Homes are again able to provide memory-making holidays for local families and need the help of our community more than ever to enable their amazing work to continue.

We would love it if schools could send in pictures of their Think Pink Day that can be used in local press releases, subject to the appropriate consent being obtained. As previously stated, I am more than happy to come in to schools and support in any way I can.

Thank you so much once again!

Best wishes,

The Mayor of Havant, Cllr Prad Bains
