21st April 2021

Dear Parents and Carers

The school is concerned about protecting staff and pupils from skin damage that can be caused by harmful ultra violet rays in sunlight.

Many of the pupils in our school are more vulnerable in this respect and we would like your help and support in this matter. We will be encouraging pupils to avoid sunburn and over exposure to the sun by

- ❖ Seeking the shade particularly during lunch breaks
- ❖ Wearing wide brimmed or legionnaire style hats
- ❖ Wearing clothes which protect from the sun
- ❖ Using a high factor sunscreen (SPF 25)

Please could you send appropriate headwear and suitable sunscreen into school, labelled clearly with your child's full name, and return the attached form to give permission for staff to assist your child with sunscreen.

If your child has any allergies or skin sensitivities to any particular product you may want to check with your GP beforehand. The school will inform you if your child has any adverse reaction that may be due to the sunscreen and will take medical advice if necessary.

Yours sincerely

Niki Wilson
Headteacher

Sunscreen permission reply slip - Summer Term 2021

Pupil Name:

Please tick:

I will provide my child with a sunscreen product (clearly labelled) to use in school

and

I give my permission for teachers and support staff to apply sunscreen when this is considered necessary.

Signed..... Date.....

Parent / Carer name.....
